

2017 Opening Day: Sunday May 7

Come usher in the new season and reconnect with friends at this year's Opening Day!

There will be coffee and Tim Bits from about 9:00 AM and the fishing contest for the John Wright Fishing Trophy will start at 10:00 AM and will finish at 12:00 PM. Lunch will be served at 1:30 PM where Simon Witts will give a brief club update prior to lunch.

Members and your spouse's/significant others are welcome and to allow us to plan the catering can you please let Greg Embrey know by e-mail (gregg.e@rogers.com) or by phone (519-307-0445), including your numbers. Any assistance in setting up & cleaning up would be greatly appreciated.

For those who did not enter our annual fishing contest last year all you really need to know is that it is simple and fun! Each participant will get to pick from one of two flies (one dry and one wet). You will each have two hours to catch the longest fish. You will be provided with a 36-inch tape measure and you will need to photograph your fish with the fly alongside the tape measure (so please bring your mobile phones with you to capture the catch, and this will allow this to be a catch and release contest). The only other rules are (a) if you lose the fly that was issued to you then you cannot enter any more fish, and (b) if you are seen using an alternate fly and then try to pass off that fish as one you caught with one of the issued flies then this is considered cheating and you will go without your lunch. By the way it is fine to fish the ponds as usual with any fly and have nothing to do with the contest, just do not try and enter any of your fish please!
